TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

Product Description: (Text limited to 120 characters)
MicroMaTcH Connectors

General Description of Changes
This Product Change Notification (PCN) serves to inform you of a manufacturing location transfer and/or a transfer of tools and/or processes. The following part numbers will be transferred from TE s Speyer Plant, Germany to TE Adelberg, Germany. Current tooling is being transferred, there will be no impact on the form, fit, or function of the affected products at this time. The transfer will be conducted in accordance with a strict internal procedure designed to ensure that product quality, supply capability, and form-fit-function remain unaffected. The new manufacturing site operates under a certified quality management system, compliant with recognized industry standards. An internal qualification and release process, based on our specifications, will be completed prior to the shipment of any products from the new location to ensure performance and compliance. A TE-internal release test based on the relevant part specifications will be executed before delivery.

Reason for Changes:
Manufacturing Location change. As a result of our continuous strive for improving our processes; thorough analysis of demand picture, matching our customer needs, we are going to optimize value stream of part numbers in scope of this PCN. This transfer will support the need of our customers for shorter lead-times and optimized value streams. First products may start shipment from June,2027 onwards and will depend on the safety stock consumption and production ramp up.
