

PCN47-IDM-24: Carling Passivation and Plating Supplier Transition
Issue Date: March 7, 2024

Dear Valued Customer,

This notice is to inform you of a supply chain change affecting selected Littelfuse items that you have purchased.

Description of the Change:

We will be transitioning away from the supplier who performed metal component passivation and plating processes on the attached finished goods. We are transitioning the source of passivation and plating processes each to separate suppliers. The newly selected suppliers currently perform these processes on similar components for Littelfuse today.

Reason for The Change:

The current supplier of these services has informed us that it is no longer in their strategy to provide such services on the components we require.

Effective Date of the Change:

This will be conducted as a running change, effective immediately.

What You Need to Do:

No action is required on your behalf. Based on our analysis, this change will not affect fit, form, or function of the products.

If you have any questions, please contact your Customer Service or Inside Sales Representative. We appreciate your business and our continued partnership.

Sincerely,

Luisa Cuevas

Dear Valued Customer,

This notice is to inform you of a supply chain change affecting selected Littelfuse items that you have purchased.

Description of the Change:

We will be transitioning away from our current supplier who performed metal passivation processes on the attached finished goods. The transition of passivation processes is ongoing and will be taken over by an existing Littelfuse supplier performing similar services.

Reason for The Change:

The current supplier of these services has informed us that it is no longer in their strategy to provide such services on the components we require.

Effective Date of the Change:

This will be conducted as a running change, effective immediately.

What You Need to Do:

No action is required on your behalf. Based on our analysis, this change will not affect fit, form, or function of the products.
