

HT-580ER

Open-Pass 8P/RJ45 Unshielded & Shielded Modular Plug Crimper

- Developed to meet the most demanding network performance.
- Works on RJ45 Open-Pass unshielded & shielded Modular Plugs.
- Crimps and trims extended wire in one step with nice flush out.
- Built-in the cutter and stripper for flat and round cable applications.
- Advanced ratchet mechanism assures optimum termination with quick release and less hand force.
- Dual-color grips enhance comfort and consistent terminations.

Made in Taiwan

HT-	Plug model	Length	Weight
