

November, 2021

iMaXX is introducing two assortment boxes especially tailored for:

- iMaXX F1500 normOTO series, part number BX1-F1500

The two “jewelry” boxes contain 80 fuses of 8 different fuse amperages + 1 puller, balanced to popularity.

- iMaXX label on the bottom side so all fuses are perfect visible
- Label includes Unique EAN bar code for retail purposes
- Designed to be stackable for keeping stock / shipping to your customer
