Phase-Out of all Microfuse families

General

In an effort to streamline our operations processes and to improve our service, we have to phase-out the following SCHURTER Microfuse families:

- **MSF 125**
- **MSF 250**
- **MST 250**
- **MXT 250**
- **MSTU 250**

Thank you for your continued partnership and support. Should you have any questions or require further assistance, please do not hesitate to contact your account manager or our customer service team.

Phase-out Procedure

For some part numbers that you will find in the attached list, the phase-out is immediate and are no longer available for order.

The other part numbers of the designated Microfuse families are being sent to phase-out according to the dates indicated here:

Last order date: 30th April 2026

Last shipment date: 31st July 2026

Activities Sales

Please inform your customers that these products will be no longer available.

Best regards,

Product Management
