

June 20th, 2025

Dear Valued Customer,

This is a notification letter to inform you that we will no longer include the “Product Code” on outer box label for TO-240 package. This minor update will not impact the product traceability for any part numbers.

For a detailed list of the affected products, please refer to the attached document at the end of this letter.

Form, fit, function changes : No change
Bill of Materials (BOM) : No change
Effective date : July 14th, 2025

Outer Box Label Change Details

PACKAGE	FROM	TO
TO-240		

Your Littelfuse representative is available to discuss more specific details with you or answer any questions you may have. Thank you for your understanding and cooperation!

Yours sincerely,

Littelfuse Asia Sales B.V. PH Branch
