Dear customers,

About adding CE marking on outer carton box

Thank you for your great cooperation and continuous trust in our products.

In a recent letter, we notified you that the following Panasonic branded products are to display the CE marking on the outer carton box. For the content of the display, the corresponding product numbers, and the implementation schedule, please refer to the attached documents "About adding CE marking" and "CE marking list".

For specific details regarding the implementation schedule for individual product numbers, please contact our sales representative.

Target products: Coin shape lithium primary battery,
Cylindrical lithium primary battery,
Coin shape lithium secondary battery,
Nickel metal hydride battery,
Pin shape lithium-ion battery,

Excluded products: Dry battery,

Furthermore, when switching to products displaying the CE marking on the battery itself, we will affix a label stating "Add CE mark" to the outer packaging to differentiate them (excluding nickel-metal hydride batteries).

Add CE mark

Implementation Period for Switching Display: Until the end of August 2024

Sincerely,

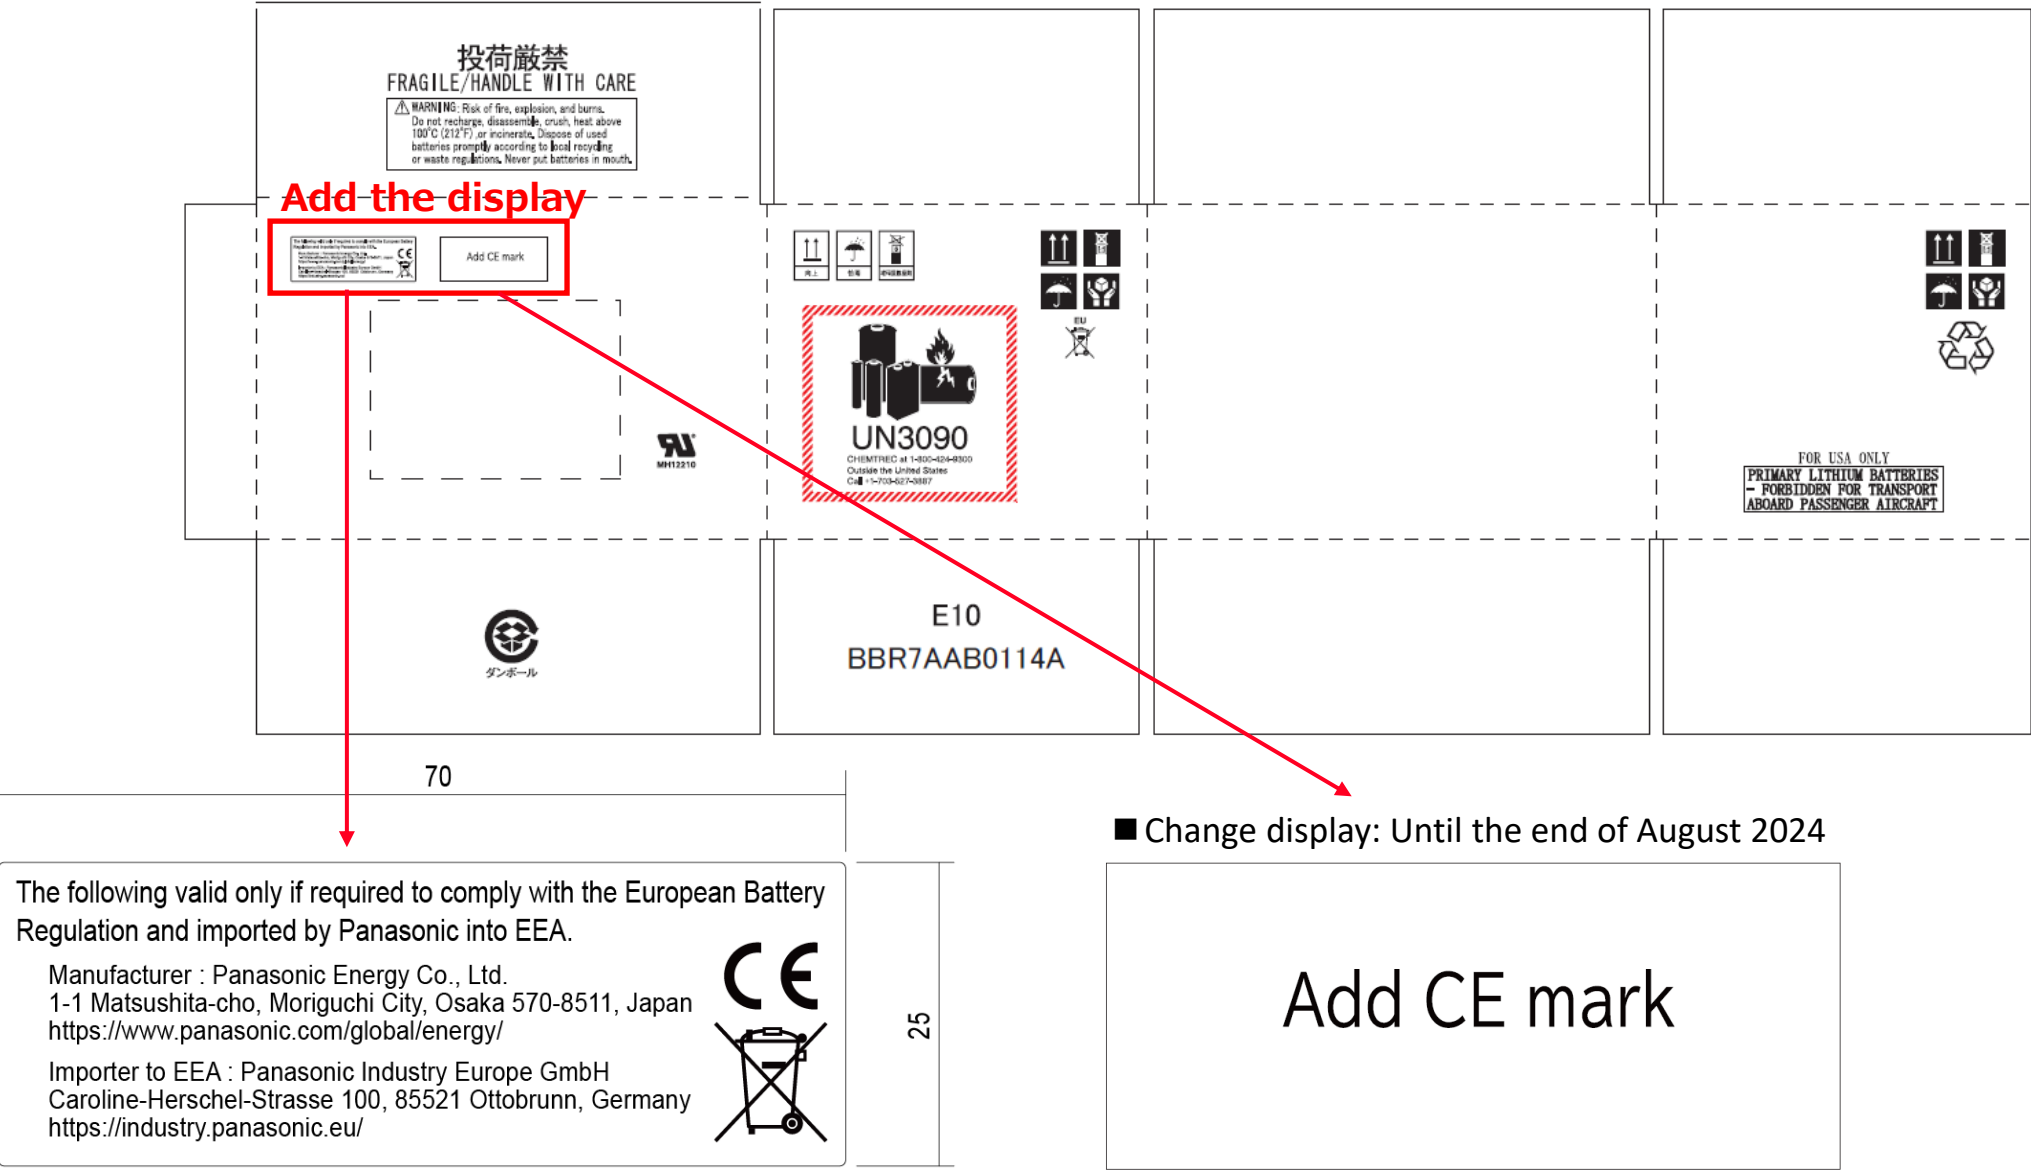

Panasonic Energy Co., Ltd.
Energy Device Business Division
