Description of Change: Redesigned dual anode architecture with optimized anode orientation changed from stacked to side-by-side.

Reason for Change: Side-by-side orientation of anodes provides direct connection to a lead frame, improved manufacturability and lower ESR values.

Expected Influence on Quality/Reliability/Performance: No.

Part Numbers/Series/Families Affected: Please see materials list on the succeeding page.

Vishay Brand(S): Vishay Polytech

Time Schedule:

Start Shipment Date: Thursday January 28, 2027

Sample Availability: Upon Request.

Product Identification: N/A.

Qualification Data: Upon Request.

This PCN is considered approved, without further notification, unless we receive specific customer concerns before Friday August 28, 2026 or as specified by contract.
