37A Tampines Street 92  
#07-00  
Singapore Singapore 528886

**Description of Change:** The production of the dual-channel and quad-channel, DIL-8 and DIL-16, phototransistor optocouplers will be transferred to another production site. The new chipset and construction allow higher operating temperature of 110°C. The country of origin will change from Malaysia to China.

**Reason for Change:** To ensure supply the production of these parts will be transferred to one of our sub-contractors. The part numbers included in this PCN will start shipping on or after the below mentioned start shipment date unless already approved by customer. The exact date will depend on the depletion of the existing product inventories and current agreed contracts.

**Expected Influence on Quality/Reliability/Performance:** No influence on quality, reliability and performance expected. The absolute maximum ratings and electrical characteristics will deviate in some parameters. The functionality of the parts remains unchanged and their performance is comparable. Nevertheless, we request our customers to test the product in their specific application.

**Part Numbers/Series/Families Affected:** Please see materials list on the succeeding page.

**Vishay Brand(S):** Vishay Semiconductors

#### Time Schedule:

Start Shipment Date: Monday June 16, 2025

**Sample Availability:** Samples available upon request.

**Product Identification:** Product can be tracked by factory code.

**Qualification Data:** This change has been rigorously qualified by company and industry standard.

**This PCN is considered approved, without further notification, unless we receive specific customer concerns before Sunday June 1, 2025 or as specified by contract.**

# Product Change Notification

Product Group: OPT/Tuesday April 15, 2025/PCN-OPT-1406-2025-REV-0
