Discontinuance of Select Devices
Product Discontinuance Notification**

Date: December 30, 2024

Dear Recipient:

You have been identified for notification of changes for one or more of the devices affected by the change detailed in this notice. You are being notified either because (1) of your recent purchase history of the affected devices or (2) you are listed as being part of GIDEP (Government-Industry Data Exchange Program).

TI would appreciate it if you would notify us of any future demand and estimated quantities needed for the affected products as soon as possible.

In an attempt to satisfy continuing requirements, TI is offering a non-cancelable, non-refundable last time buy for the product. Related dates are included in the notification. We will contact you as soon as we have completed a review of all customer responses and determined the appropriate course of action required to satisfy the need for this/these products.

The notification period is governed by TI's standard process. Any inquiries should be directed to your local Field Sales Representative.

If you require additional supply beyond the dates defined in this letter, please contact your local Field Sales Representative to determine if the parts may be available from a TI-authorized distributor for discontinued products. There is no guarantee of continued supply for these products.

For questions regarding this notice, contact your local Field Sales Representative or the Change Management team.

Sincerely,

Change Management Team
SC Business Services

Product Discontinuance Notification Details								
Description of Discontinuance:								
Texas Instruments Incorporated (TI) is announcing the discontinuance of select devices. Part Numbers are listed in the Product Affected Section. A non-cancelable, non-refundable last time buy is being offered per the date shown above. Recommended replacements are being offered as shown in the Product Affected Section.								
NOTE: There are no samples offered for withdrawn/obsolete products. For samples of any of the replacement products, please contact your local sales representative.								
Reason for Withdrawal/Discontinuance:								
TI will no longer support the tube and small reel part numbers shown below. The recommended replacement product is an exact replacement device shipped in large tape and reel.								
For support of smaller quantities (less than large tape and reel pack quantities), customers may be able to order the replacement part number (large pack variant) on TI.com, and choose a custom reel size for the actual quantity required. Please refer to Carrier Packaging Options for more information. If you need further assistance, please contact your local sales representative or TI customer support .
