### Description of Change:

Renesas Electronics will update and streamline the standard outer labels in shipments for all products in conjunction with our systems integration plan.

Kindly refer to Appendix A to D for comparison on the current and new standard labels.

There is no change in barcode specifications (EAN-128 (GS1-128)) and saved data.

### Affected Product List:

All products, including legacy Intersil, IDT, Dialog and Renesas except custom-labeled products.

### Reason for Change:

To integrate company-wide outer labels through the integration of SCM systems, including logistic systems.

**Impact on Fit, Form, Function, Quality & Reliability:**

This change will have no impact on the form, fit, function, quality, reliability and environmental compliance of the devices.

**Qualification Status:** Not applicable

**Sample Availability Date:** Not applicable
