Description of Change: Vishay Siliconix announces the B/E site-transfer from Vishay Simconix to the new subcontractor, ATEC (Automated Technology (Phil.) Inc.), as the capacity expansion of assembly and testing for Commercial Low-Voltage Power MOSFET in SO-8 Single and Dual packages.

ATEC locates in Laguna, Philippines, and professionally engages in assembly and test of power semiconductor devices with the major certificates, including ISO-14001, ISO-9001, IATF-16949, and VDA6.3 compliant.

Reason for Change: Capacity Expansion

Expected Influence on Quality/Reliability/Performance: There will be no effect on the form factor, quality, reliability, performance, and the minimum/maximum values in the datasheet.

Part Numbers/Series/Families Affected: Please see materials list on the succeeding page.

Vishay Brand(S): Vishay Siliconix

Time Schedule:

Start Shipment Date: Wednesday September 30, 2026

Sample Availability: Please contact your regional Vishay Sales office for sample availability.

Product Identification: Products manufactured at ATEC will be identified by the factory code "4" on the top-marking.

Qualification Data: Qualification results are available upon request.

This PCN is considered approved, without further notification, unless we receive specific customer concerns before Monday August 31, 2026 or as specified by contract.

Issued By: Andrew Tsai, andrew.tsai@vishay.com
