Description of Change: Supplier will move production of bushing from France to Spain. Bushing is made by casting. Bushing mold will be moved in the new manufacturing plant of the supplier.

Reason for Change: Rationalization of resources in supplier side.

Expected Influence on Quality/Reliability/Performance: None. Same bushing mold used. Same raw material and same surface treatment used. Same supplier. This supplier plant in Spain already manufactures this kind of parts.

Part Numbers/Series/Families Affected: Please see materials list on the succeeding page.
