

Product Change Notification

PCN Number:	RLPCN261201
Product Category:	Electro-Mechanical Automotive relay
Subject:	Contact spec change
Product series:	FBR51 latching series
Date:	18 March 2026

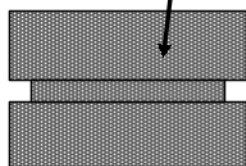

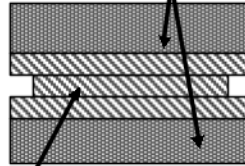

Change description:

The structure of movable contact is going to change into 3 layers.

Change details:

The structure of movable contact is going to change into 3 layers.

- 3 layers contact is widely and commonly adopted in the Relay products.
- This change does not give impact on Relay's life performance since bearing necessary material amount as contact.
- No dimension change on contact diameter and other dimensions.
- This change does not give impact on Relay's characteristics and specifications.

	Current	After changed
