**Notification# 20260325001.0  
Datasheet for LM2674, LM2675, LM2676, and LM2678  
Information Only**

**Date:** March 26, 2026

Dear Customer:

This is an information-only announcement of a change to a device that is currently offered by Texas Instruments.

The changes discussed within this notification are for your information only.

Any negotiated alternative change requirements will be provided via the customer's defined process. Customers with previously negotiated, special requirements will be handled separately. Any inquiries should be directed to your local Field Sales Representative.

For questions regarding this notice, contact your local Field Sales Representative or the Change Management team.

Sincerely,

Change Management Team  
SC Business Services

| • Added information relating to WEBENCH.....                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | 30          |                                                  |  |                           |  |                  |  |                                                                      |             |                                                                                                        |   |                                         |   |                                                                        |   |                                              |    |                                              |    |                                              |    |                                             |   |                                             |   |                                             |   |                                                     |   |                                              |    |                                              |    |                                              |    |

| Changes from Revision K (February 2017) to Revision L (June 2025)                                     | Page |
|-------------------------------------------------------------------------------------------------------|------|
| • Updated the numbering format for tables, figures, and cross-references throughout the document..... | 1    |
| • Added approved noun following the SIMPLE SWITCHER trademark throughout the document.....            | 1    |
| • Added DAP connection recommendation.....                                                            | 3    |
| • Deleted RADJ specification.....                                                                     | 5    |
| • Deleted RADJ specification.....                                                                     | 5    |
| • Deleted RADJ specification.....                                                                     | 5    |
| • Deleted RADJ specification.....                                                                     | 6    |

The datasheet number will be changing.

| Device Family | Change From: | Change To:      |
|---------------|--------------|-----------------|
| LM2674        | SNVS007H     | <b>SNVS007I</b> |
| LM2675        | SNVS129F     | <b>SNVS129G</b> |
| LM2676        | SNVS031M     | <b>SNVS031N</b> |
| LM2678        | SNVS029K     | <b>SNVS029L</b> |

These changes may be reviewed at the datasheet links provided.

#### Reason for Change:

To accurately reflect device characteristics.

#### Anticipated impact on Fit, Form, Function, Quality or Reliability (positive / negative):

No anticipated impact.

#### Changes to product identification resulting from this PCN:

None.

#### Product Affected:

|                         |                         |                          |                        |

### **IMPORTANT NOTICE AND DISCLAIMER**

TI PROVIDES TECHNICAL AND RELIABILITY DATA (INCLUDING DATASHEETS), DESIGN RESOURCES (INCLUDING REFERENCE DESIGNS), APPLICATION OR OTHER DESIGN ADVICE, WEB TOOLS, SAFETY INFORMATION, AND OTHER RESOURCES “AS IS” AND WITH ALL FAULTS, AND DISCLAIMS ALL WARRANTIES, EXPRESS AND IMPLIED, INCLUDING WITHOUT LIMITATION ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR NON-INFRINGEMENT OF THIRD PARTY INTELLECTUAL PROPERTY RIGHTS.

These resources are intended for skilled developers designing with TI products. You are solely responsible for (1) selecting the appropriate TI products for your application, (2) designing, validating and testing your application, and (3) ensuring your application meets applicable standards, and any other safety, security, or other requirements. These resources are subject to change without notice. TI grants you permission to use these resources only for development of an application that uses the TI products described in the resource. Other reproduction and display of these resources is prohibited. No license is granted to any other TI intellectual property right or to any third party intellectual property right. TI disclaims responsibility for, and you will fully indemnify TI and its representatives against, any claims, damages, costs, losses, and liabilities arising out of your use of these resources.

TI’s products are provided subject to TI’s Terms of Sale ([www.ti.com/legal/termsofsale.html](http://www.ti.com/legal/termsofsale.html)) or other applicable terms available either on [ti.com](http://ti.com) or provided in conjunction with such TI products. TI’s provision of these resources does not expand or otherwise alter TI’s applicable warranties or warranty disclaimers for TI products.
