Information note

N° 097/24

- Products affected

Please refer to attached affected product list
INF_097_24_[customer-no].pdf

- Detailed change information

Subject

Change of label affecting dedicated Memory Solutions products:
addition of HAL-free mark

Reason

Standardization of labelling for Infineon products.
Deeper integration of supply chain and detailed assessment
confirmed HAL-free products in Infineon portfolio.

**Deliveries will start with 25.02.2025 to cascade information to
Infineon customers with utmost urgency.**

Description

Old

- Label without HAL-free mark

New

- Label **with** HAL-free mark

- Product identification

- Traceability assured via date code.
- No change in SP ordering number.

- Impact of change

- No impact on electrical performance of the products as only the labelling on the product packing will reflect the change.
- No change in bill of material and/or product material declaration.
