Description of Change: Introduction of an alternative grease

Reason for Change: Due to discontinuation of grease material, we have secured grease provision thanks to a new grease source.

Grease is used to reduce wear between wiper and collector/resistive track and for electrical noise reduction.

We have qualified this alternative grease

Expected Influence on Quality/Reliability/Performance: No influence on Quality/Reliability/Performance, according to qualification results

Part Numbers/Series/Families Affected: t6*, ts6*,

Vishay Brand(S): Vishay Sfernice

Time Schedule:

Start Shipment Date: Wednesday July 9, 2025

Sample Availability: W20 2025

Product Identification: Datecode 2523

Qualification Data: Available on request

This PCN is considered approved, without further notification, unless we receive specific customer concerns before Sunday April 20, 2025 or as specified by contract.
