

Wolfspeed® Product/Process Change Notification

PCN Number: PCN-00136
PCN Type: Informational

PCN Issue Date: September 12, 2024

PCN Title

Updates to Certificate of Compliance for All Wolfspeed Shipments

Description of the Change

This informational notification is to inform Wolfspeed’s customers of updates to certificate of compliance for all Wolfspeed shipments. Updates to be executed are listed below.

1. Add Wolfspeed Delivery Number and Code 128 barcode to header.
2. Add Customer Part number and Code 128 barcode to header.
3. Add “Certificate Issue” to current date line.
4. Update paragraph and wording at the end of the document.
5. Update signature block.

Please see Figure 1 below for example images of a version of Wolfspeed’s certificate of compliance before the described changes are made (subsection (a)) and a version of Wolfspeed’s certificate of compliance after the described changes are made (subsection (b)).

This package includes the quantity of products specified above, which are being shipped pursuant to the purchase order number specified above. If Wolfspeed provides a limited product warranty for the enclosed products, then subject to the terms of its limited warranty, Wolfspeed certifies that (a) the enclosed products conform to the product specifications set forth in the applicable product data sheet(s) published by Wolfspeed and in effect as of the purchase order date of the shipment, copies of which are available at wolfspeed.com, or (b) alternatively, if applicable, the enclosed products conform with such other specifications as mutually agreed in writing between the parties.

Issuance of this Certificate was Authorized by:
 Jeffrey Ferraro
 SVP - Global Procurement and Planning

Figure 1. (a) Certificate of Compliance Before Changes and (b) Certificate of Compliance After Changes.

Benefit of the Change

With Wolfspeed’s commitment to continuous improvement, the changes described in this document will help align with certain shipping practices and/or requirements.

Affected Products

All Wolfspeed product shipments.

Anticipated Impact

No customer action is required. There is no change to product form, fit, function, or reliability.

Implementation Date

Table 1 provides the estimated dates for key PCN milestones based on the information available on the date this PCN is issued. Any updates to these dates can be provided by your Wolfspeed contact.
