

Packaging change notification:

SC Lithium batteries available in packs of 2 and 4 pieces for global distribution.

Itingen, November 2025

Dear valued customer,

We sincerely thank you for your continued support and trust in Renata products. We are constantly working to improve our internal and external processes to guarantee the highest product and service quality.

As part of our strategic production optimization, we would like to inform you that, **effective April 2026**, our SC Lithium batteries will be offered exclusively in 2-piece and 4-piece blister packaging.

Please note that the current 1-piece blister packaging for SC Lithium batteries will be discontinued, with the exception of our CR2477N model, which will continue to be available in 1-piece blister packaging.

New blister pack and inner box:

2 pack	4 pack	1 piece
CR1025, CR1216, CR1220, CR1225, CR1616, CR1620, CR1632, CR2320, CR2325, CR2430, CR2450N	CR2016, CR2025, CR2032	CR2477N

Should you have any questions, please do not hesitate to contact your Renata representative, or reach us at +41 (0)61

We highly appreciate your support and understanding, and we look forward to continuing our good partnership in the future.

Yours sincerely,
Sales & Marketing Team Renata
