

ECN No: ECN202412110001

Subject of change: Notice on Housing Material Change of HFD4 THT Types

PN: HFD4 THT types

Reason for change: In order to reduce the supply chain risk of raw material and provide better L/T as well as service to customers, we decide to change the housing material from PBT to LCP which is in bulk purchase in Hongfa group.

Description of change:

Part	Before	After
HFD4	1、Housing material: PBT 2、Outlook: ① White ② See photo below 	1、Housing material: LCP 2、Outlook: ① Beige ② See photo below 

We assume that the relay PN, performance, certificates and delivery will remain the same after change. The only slight difference is the color as shown above. The cost increased in this change will be absorbed by Hongfa.

Expected time schedule for change: Mar 1st, 2025.

Released by (company): Xiamen Hongfa Signal Electronics Co.,Ltd Technical Center

Application date: December 18, 2024

Customer feedback :

- Please feedback to contact within 15 days. No response to this PCN within 15 days after receipt constitutes acceptance of the change.
