P/N: NDI/DM/DJ/DL		Name of Component or Project: : NDI/DM/DJ/DL series printing		Date : 2024/03/01	
Reason: ■Product/Production Improve ■ Quality improve ☐ Safety improved ☐Customized change ☐ Others		The NDI/DM/DJ/DL series features hot stamping printing. Due to our company's policy of continuously improving product quality and considering ease of identification for customer use, we are formally proposing to change to laser engraving techniques for product printing.
